
Reminder about Discontinued Support of Obsolete Products

Service Notice
Reminder about Discontinued Support of Obsolete Products

At the end of this month, Apple is discontinuing support for the following technologically obsolete products and their associated parts:

- Apple Modem
- Color Plotter
- Dot Matrix Printer
- Hard Disk 20
- Lisa 1.0 / Lisa 2.0
- Macintosh XL
- Scribe Printer

These products and their parts will be removed from the Apple "Service Price Pages" and will no longer be available for purchase.
